To the Church & inhabitance  
of the Town of Southborough. —

Having in a serious manner  
taken into consideration your invita-  
tion for settling with you in the  
sacred work of the Gospel Ministry. —

And seeing no propriety or scripture  
warrent for your present mode and  
manner of admitting persons to the  
seals of the covenant — think it not  
my duty to practise in that way  
at present — must notwithstanding  
my love and tender feeling for  
the dear flock of Christ among you,  
give my answer in the negative.
